Inspired by the warmth of an afternoon tea in your garden, Petunia Tea sets the stage for shared moments, gentle laughter and growing bonds.

Petunia Tea is an ode to friendship – to the friend you miss, the neighbor you trust, the colleague who listens. It brightens gardens, balconies and terraces, becoming the backdrop for meaningful conversations and lasting memories. Wherever it blooms, friendship follows.

Built to perform, Petunia Tea flowers early and keeps going all season, rain or shine. With outstanding rain tolerance and minimal care, it thrives in pots, hanging baskets and mixed combinations. Like a tea infusion releasing warmth and aroma, Petunia Tea fills your garden with lasting color.

Celebrate connection. Savor the moment with Petunia Tea.
