The Poinsettia Superstar® range is designed for success throughout the entire supply chain, delivering outstanding performance for growers, retailers, and consumers alike. For growers, Superstar® offers excellent uniformity, strong branching, and reliable genetics, enabling the consistent production of high-quality plants. The range also includes varieties with exceptional heat tolerance, such as Superstar® Robyn Red, making it an ideal choice for warmer growing regions and challenging production conditions.

At retail, Superstar® stands out with its vibrant colors, attractive plant shape, and excellent shelf life. The plants maintain their fresh appearance and visual appeal throughout the holiday sales season, creating eye-catching displays and helping to maximize sell-through.

Consumers appreciate Superstar® for its long-lasting beauty and festive appeal. The plants remain colorful and attractive for weeks, bringing warmth and holiday spirit to homes, offices, and seasonal displays. Available in a range of classic and specialty colors, Superstar® offers something to suit every style and preference.

From greenhouse to home, the Poinsettia Superstar® range combines production efficiency, retail performance, and lasting consumer enjoyment, making it a true star of the holiday season. ★

La gama Poinsettia Superstar® ha sido desarrollada para alcanzar el éxito en toda la cadena de suministro, ofreciendo un rendimiento excepcional para productores, minoristas y consumidores. Para los productores, Superstar® ofrece una excelente uniformidad, una ramificación vigorosa y una genética fiable, lo que permite producir plantas de alta calidad de manera consistente. La gama también incluye variedades con una excepcional tolerancia al calor, como Superstar® Robyn Red, lo que la convierte en una opción ideal para regiones de cultivo más cálidas y para condiciones de producción exigentes.

En el punto de venta, Superstar® destaca por sus colores vibrantes, su atractiva forma de planta y su excelente vida útil. Las plantas mantienen su apariencia fresca y su atractivo visual durante toda la temporada de ventas navideñas, creando exhibiciones llamativas y contribuyendo a maximizar las ventas.

Los consumidores aprecian Superstar® por su belleza duradera y su atractivo festivo. Las plantas conservan sus colores y su aspecto atractivo durante semanas, aportando calidez y espíritu navideño a hogares, oficinas y decoraciones de temporada. Disponible en una amplia gama de colores clásicos y especiales, Superstar® ofrece una opción para cada estilo y preferencia.

Desde el invernadero hasta el hogar, la gama Poinsettia Superstar® combina eficiencia de producción, excelente desempeño en el punto de venta y una experiencia duradera para el consumidor, convirtiéndola en una verdadera estrella de la temporada navideña. ★

Our Commitment to Quality Supply & Sustainability

Top-quality Poinsettia cuttings are critical to your success. We are dedicated to being the best in terms of product quality; this is especially true for the hard-working teams at our farms throughout the world. We continuously focus on improving quality and could not do this without your feedback, which helps us focus on what matters most to you as we continue to raise the bar on Poinsettia breeding and supply. ★

La clave del éxito de su negocio está en contar con esquejes de Poinsettia de máxima calidad. Por eso, nos dedicamos a ofrecer productos del más alto nivel. Esto se ve reflejado en el empeño que ponen los equipos en nuestras instalaciones alrededor del mundo. Nos centramos constantemente en la mejora de la calidad, gracias a sus apreciados comentarios. Esto nos ayuda a enfocarnos en lo que más importa y a seguir elevando el estándar de calidad. ★

The Poinsettia team at the Mexico production location is dedicated to providing you with top quality starting material. This is where our Superstars come from (min. of 2000 urc per shipment combo possible).

Delivery weeks 20-32

At our farm in Ethiopia, we have decades of experience in producing Princettias®. There we also select our own Princettia® lines every year (min. of 4000 urc per shipment combo possible).

Delivery week 18-33. ★

El equipo de Poinsettia en nuestra instalación de producción en México está comprometido a proporcionarle material inicial de la más alta calidad. Aquí es donde nacen nuestras Superstars (es posible combinar envíos con un mínimo de 2.000 URC por pedido).

Semanas de entrega: 20-32

En nuestra finca en Etiopía contamos con décadas de experiencia en la producción de Princettias®. Allí también seleccionamos cada año nuestras propias líneas de Princettia® (es posible combinar envíos con un mínimo de 4.000 URC por pedido).

Semanas de entrega: 18-33. ★

Kayla™ Red

2001672

AN EARLY RETAIL STAR

- ▶ Start the season with one of the earliest compact varieties in color.
- ▶ Attractive holly-shaped bracts and good heat tolerance.
- ▶ Grown best in 4 to 6 inch pots and for high-density production.

LA PRIMERA ESTRELLA DE LAS TIENDAS

- ▶ Comience la temporada con una de las variedades compactas en este color que florece primero.
- ▶ Brácteas atractivas con forma de acebo y buena tolerancia al calor.
- ▶ Muestra un mejor desempeño en macetas de 4 a 6 pulgadas y en producción de alta densidad.

FINISH DATE: Nov. 7-14 | **POT SIZE:** Mini, 4-6 inch

Robyn™ Red

2000615

A REAL FAMILY STAR

- ▶ A compact habit combined with excellent heat tolerance makes Robyn™ Red a great variety for early season sales in all climates.
- ▶ Dark leaves provide a very nice contrast for the red bracts.
- ▶ Suitable for glitter and painting.
- ▶ V-shaped habit and low vigor is ideal for 4 to 6 inch pots.

UNA VERDADERA ESTRELLA FAMILIAR

- ▶ El porte compacto y la excelente tolerancia al calor hacen de Robyn™ Red una gran variedad para las ventas de principios de temporada en todos los climas.
- ▶ Las hojas oscuras generan un bonito contraste con las brácteas rojas.
- ▶ Apta para purpurina y pintura
- ▶ Su porte compacto en forma de V y su bajo vigor son ideales para la producción en macetas de 4 a 6 pulgadas.

FINISH DATE: Nov. 10–17 | **POT SIZE:** Mini, 4–6 inch

REGION: Deep South, South, Mid Region, North | **VIGOR:** Medium

Robyn series can be grown in combination pots.
La serie Robyn se puede cultivar en macetas combinadas.
